

JR. LIVESTOCK AUCTION BOOSTERS, INC. SPONSORSHIP PROGRAM

This program was developed to meet the wishes of individuals and businesses to contribute to the overall Jr. Livestock Auction program. Some donors may also wish to purchase animals, which benefit the individual sellers. Sponsorship contributions will benefit all 4-H and FFA market exhibitors. The auction is self-supporting, and each youngster contributes 5 1/2 % of the gross receipt to the operating account. One purpose of this account is the educational value to the sellers. Another purpose is to serve as a contingency fund. The last purpose of the account is to provide for the operating expenses, such as auctioneer fees, animal freight, brochure printing, photo posters for the buyers, stationery, buyer nametags, Beef & Pork promotion fees, Credit Card Fees, staff time and etc.

Your tax-deductible donation to the Sponsorship Program will enable us to help pay these expenses for all Jr. Exhibitors participating in the auction, therefore allowing them to receive a minimum profit without interfering with buyers purchasing at the auction. 100% of all donations to the Sponsorship Program will be used as stated above.

The Jr. Livestock Auction Booster organization is a non-profit corporation. The Sponsorship Program is a sub-committee for this organization. When making a donation to the program you will receive a letter of confirmation, which will include verified information and receipt of your donation for your tax records.

All Donors and Sponsors will be recognized in the Sale Catalog, Auction Brochure and Online Premium book the following year.

Thank you for your consideration and participation.
